Dear Sir:

The owner, National Starch and Chemical Investment Holding Corporation of 100% interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 6,020,297. The owner hereby agrees that

any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willfully false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of the Title 18 the United States Code and that such willfully false statements may jeopardize the validity of the application or any patent issued thereon.

The fee of \$110.00 under 37 C.F.R. § 1.20(d) for filing a statutory disclaimer may be charged to Deposit Account No. 14-0455. A duplicate copy of this disclaimer is enclosed for this purpose.
